

Food and housing costs are rising, making it harder for people and families to get food. Last year, **LOVEONE** saw **nearly 18,000 visits** to our food distribution center. We also **delivered more than 1,000 food boxes** to neighbors who were recently housed to support food security and housing retention.

Special thanks to our Food Program partners!

Today, **1 in 8 people** and **1 in 6 kids** in Oregon don't know where their next meal will come from. Rising costs of food and housing are forcing families to choose between putting a roof over their heads and putting food on their table.

LOVEONE's Food Program **provides** neighbors in Clackamas County with **fresh fruits and veggies, dairy products, proteins, and canned goods** every week.

Shout out to all our event meal and water providers!
